International Capital Eyes Asia-Pacific:

Global Investor Institute Unveils Two main Developments Connecting Global Investors and Family Offices

HONG KONG | September 9, 2026 — Global Investor Institute (GII), a fast-growing hub for international investor engagement announced steady progress & formal establishment of the **Global Investor Alliance,** a dedicated platform for connecting Asia-Pacific Family Offices and Institutional Investors. The Alliance further strengthens capital linkages between HK & other leading financial ctrs in the region.

Next milestones: expanding outreach through Singapore & HK events to broaden investor network.

01 — GLOBAL INVESTORS & FAMILY OFFICES

Private Lunch Concluded Successfully (July 2026)++ (Oct 2026)

Hosted by GII and title-sponsored by Federated Hermes, a top-50 U.S. asset manager with US$912 billion in AUM, the luncheon gathered approximately 80 principals from family offices, institutional investors and entrepreneurs. Attendees included representatives from the Harilela Family, Chow Tai Fook, Henderson Land, Nan Fung, Galaxy, SF Express Family Office & Invext Capital from Southeast Asia region.

Participants engaged in in-depth discussions on global asset allocation, the AI-enabled new economy and regional co-investment, further expanding the investor network and laying the groundwork for international resources and long-term collaboration.

NEXT STOP: SINGAPORE

In October 2026, GII will co-host a private investor gathering in Singapore with the Draper VC Team and leadership from Mobius Investment, aiming to attract more institutional investors and family offices from across Asia Pacific to co-discover emerging opportunities.

02 — MOBIUS YOUTH RESEARCH CENTRE

Officially Launch in Hong Kong (Apr 2027)

Spearheaded by the successors of Mobius Investment founded by the Emerging-Market God Father Mark Mobius, together with the CEO of Global Investor Institute, the Mobius Youth Research Centre is scheduled to open in **Apr 2027**. The Centre will focus on Youth Training, Education & Research, and will be closely integrated with GII to deliver thematic studies, mentorship programs & collaborations with universities—cultivating the region's next generation of financial analysts & investors through international exchange.

The opening ceremony is planned for the 3RD week of Jan 2027, with planned invitations to Ray Dalio (Founder, Bridgewater Associates), Tim Draper Family & over 400 investors from leading Global Financial Institutions, Asset Managers, Sovereign Wealth Funds & Family Offices.

Through the Centre, GII aims to catalyze research-driven engagement with global institutions on HK opportunities, acting as a convening force to attract capital from the U.S., Europe & Middle East and to further consolidate Hong Kong's position within the global investor network.

> *"Our next initiative, **Top 100 Favorite Investors — Interviews / Guidebook,** will deepen our ecosystem and attract more Top-Tier international investors to HK to uncover new opportunities together."*
